4. Bagaimanapun, pengishtiharan dharurat dan berkuatkuasanya Ordinan Dharurat (Kuasa² Perlu) No. 1 Tahun 1969 pada 15hb Mei, 1969, telah menggantungkan semua pilehanraya dimana² kawasan di-Malaysia yang belum selesai pada masa itu.

IV. PEMBUBARAN PARLIMEN DAN DEWAN² UNDANGAN NEGERI

10. Perlembagaan Persekutuan menghendaki iaitu manakala Parlimen dibubarkan, satu pilehanraya umum hendaklah diadakan dalam **tempoh** 60 hari **mulaï** dari tarikh pembubaran **tersebut** bagi **Negeri²** Tanah Melayu dan 90 hari bagi **Negeri²** Borneo. Sharat² yang seumpama ini juga terkandong didalam **Perlembagaan²** Negeri. Dengan itu **perlulah ada** sedikit gambaran yang lebih awal **diberi** kepada Surohanjaya Pilehanraya mengenai tarikh pembubaran Parlimen dan **Dewan²** Undangan Negeri, supaya membolehkan **pehak** Surohanjaya membuat **ranchangan²** dan **persiapan²** yang **perlu** untuk menjalankan pilehanraya umum.

11. Meshuarat Dewan Ra'ayat yang pertama **kalinya** diadakan selepas pilehanraya umum tahun 1964, ialah pada 18hb Mei, 1964. **Dewan²** Undangan Negeri telah mengadakan meshuaratnya yang pertama pada tarikh² yang **berasingan**, iaitu diantara 11hb dan 28hb Mei, **1964**. Oleh

kerana Perlembagaan Persekutuan dan Negeri menghendakki iaitu Parlimen dan **Dewan**² Undangan Negeri, kechualи jika dibubarkan terlebih dahulu, adalah terbubar dengan sendirinya selepas lima tahun dari tarikh meshuarat pertamanya yang demikian itu. **Dewan** Ra'ayat, kechualи dibubarkan terlebih dahulu, adalah terbubar pada 18hb Mei, 1969, demikian juga semua **Dewan** Undangan Negeri adalah terbubar pada tarikh² yang berasingan antara 11hb dan 28hb Mei, 1969.

12. Untuk membolehkan supaya **pilehanraya**² ka-Dewan Ra'ayat dan kesemua **Dewan** Undangan Negeri diadakan serentak, Surohanjaya Pilehanraya telah menasihatkan supaya **Dewan** Ra'ayat dan semua **Dewan** Undangan Negeri dibubarkan pada satu hari yang sama. Parlimen dan semua **Dewan** Undangan Negeri kechualи **Dewan** Undangan Negeri Kelantan, telah dibubarkan pada 20hb Mach, 1969. **Dewan** Undangan Negeri Kelantan telah dibubarkan pada 31hb Mach, 1969.

V. PINDAAN² KAPADA UNDANG² MENGENAI PILEHANRAYA

13. Pada penghujung tahun 1968 adalah dilapurkan bahawa sebuah parti siasah telah mengarahkan semua **ahli**²nya dalam **Dewan** Ra'ayat dan **Dewan**² Undangan Negeri supaya mengosongkan **kerusi**² mereka pada tarikh² yang berasingan. Mengikut **undang**² pada masa itu, adalah mustahak diisikan sebarang kerusi yang dikosongkan itu dalam **tempoh** 60 hari **mulaи** dari tarikh kekosongan itu wujud. Kerajaan memutuskan bahawa **pilehanraya**² kecil akan menimbulkan **banyak** kesusahan kepada **pemileh**² kerana Parlimen dan **Dewan**² Undangan Negeri bagaimanapun akan tetap dibubarkan pada 18hb Mei, 1969 dan Pilehanraya Umum diadakan seterusnya. Untuk menghadapi keadaan yang luarbiasa ini, Perkara 54 (2) Perlembagaan Persekutuan telah dipinda dengan mana sekiranya kekosongan biasa berlaku dalam masa **6** bulan sebelum tarikh Parlimen terbubar, kekosongan itu tidak perlu diisikan. Pindaan ini adalah juga dikenakan kapada **Dewan**² Undangan Negeri. Dengan akibat pindaan **ini**, sunggopun beberapa kekosongan telah wujud dalam **Dewan** Ra'ayat dan **Dewan**² Undangan Negeri, pilehanraya kecil tidak **dijalankan**.

14. Sabelum daripada pilehanraya umum ini satu penyemakan undang² dan peratoran² pilehanraya telah dijalankan dan pindaan² saperti berikut telah dibuat :

(a) Akta **Kesalahan**² Pilehanraya, 1954.

Pindaan telah dibuat kapada Akta ini dalam tahun 1969, ke-sannya adalah saperti berikut :

- (i) had perbelanjaan yang dibenarkan kepada seseorang chalun atau wakil chalun telah dinaikkan dari \$10,000 kepada \$20,000 bagi sesuatu pilihanraya **ka-Dewan** Ra'ayat dan daripada \$7,500 kepada \$15,000 bagi sesuatu pilihanraya **ka-Dewan** Undangan Negeri.
- (ii) hukuman kerana kesalahan membelanja, mempengarohi dan sogokan telah dinaikkan daripada **enam** bulan penjara serta denda lima ratus ringgit kepada dua belas bulan penjara serta denda tidak kurang daripada dua ratus lima puluh ringgit dan tidak lebih dari seribu ringgit.
- (iii) peruntukan² mengenai perbelanjaan persendirian **chalun**² telah dibatalkan.

(b) **Peratoran**² Pilehanraya (Penjalanan Pilehanraya), 1959.

Peratoran² Pilehanraya (Penjalanan Pilehanraya) (Pindaan), 1968, yang dibuat oleh Surohanjaya Pilehanraya telah diluluskan oleh Yang di-Pertuan Agong pada 20hb Disember, 1968. Pindaan² ini telah dibuat dengan tujuan untuk menyamakan dan melaraskan peratoran² yang sama yang sedia ada di Negeri² Borneo.

Dua pindaan yang terkemuka ialah:

- (i) mengenaf wang deposit pilehanraya dari **bakal**² chalun adalah diintokkan sekarang, iaitu **bakal**² chalun yang membayar wang deposit pilehanraya kapada **jabatan** Kerajaan yang telah diberi kuasa oleh Pegawai **Pengurus** hendaklah menyerahkan resit wang deposit itu kapada Pegawai **Pengurus** dalam masa diantara pukul 10.00 pagi dan 12.00 tengah hari pada hari penamaan chalun. Kegagalan membuat demikian akan menjadikan penamaan chalun itu tidak sah; dan
- (ii) kemasukan satu peruntukan yang baru kedalam Peratoran² itu yang inenjadikan seseorang Pegawai **Pengurus** terpaksa mengarahkan pengiraan semula undi² atas permohonan seorang chalun atau wakil chalun sekiranya jumlah undi

bagi kesemua chalun bersama² dengan undi yang ditolak berbeza dengan jumlah kertas undi yang didapati dari peti² undi, sebanyak satu peratus atau lebih, atau, sekiranya perbezaan diantara jumlah undi yang diperolehi oleh chalun yang menang dengan chalun yang kedua adalah dua peratus atau kurang dari jumlah undi yang dibuang.

(c) Peratoran² Pilehanraya (Mengundi Melalui Pos), 1959

Peratoran² Pilehanraya (Mengundi Melalui Pos) (Pindaan), 1968, telah diluluskan pada masa yang sama. Dengan pindaan ini, satu chara baru telah ditambah yang membolehkan jenis² pengundi yang tertentu memohon undi pos kiranya mereka suka hendak mengundi melalui pos.

VI. PENYEDIAAN UNTOK PILEHANRAYA

Penyediaan risalah untuk panduan pegawai² pilehanraya

15. Dua risalah "Pegawai Pengurus" dan "Tempat Mengundi" yang disusun oleh Surohanjaya Pilehanraya telah di-baharui untuk memasokan segala pindaan yang telah di-buat kepada Undang² dan Peratoran² Pilehanraya. Risalah² ini bertujuan supaya dibacha bersama dengan dan sebagai ulasan kepada undang² dan peratoran² itu. Risalah² itu adalah bagi panduan pegawai pilehanraya sahaja dan tidak bermaksud menggantikan undang².

Alatan untuk kerja pilehanraya

16. Tugas untuk mengambil stok alat², alatulis² dan borang² yang sedia ada telah pun dimulakan dari penghujung tahun 1967 dan telah diselesaikan pada awal tahun 1969. Borang² yang lama dan tidak boleh digunakan lagi telah diganti atau dipinda. Alat² yang besar mengenai pilihanraya seperti petak² undi, bakul² mengira dan menchampor kertas² undi, telah dibeli dari pembuat² tempatan. Memandang kepada dasar Kerajaan untuk menjimatkan perbelanjaan negara, maka Surohanjaya Pilehanraya telah memutuskan bahawa bagi pilihanraya umum ini, hanya satu peti undi bagi tiap² satu tempat mengundi digunakan untuk kedua² kertas undi Parlimen dan Negeri. Tidak ada peti² undi tambahan yang dibeli bagi Malaysia Barat sunggopun jumlah pernileh dan juga tempat mengundi telah bertambah.

Menyedarkan pemileh²

17. Untuk menchapai sesuatu pilehanraya yang penoh bermanfaa, maka perlulah sa-bilangan besar para pemileh keluar mengundi pada hari pembuangan undi. Ka-arah tujuan ini satu kempen telah dijalankan oleh

pesebaran 'am Kerajaan untuk membangkitkan **kesedaran dikalangan pemileh²** mengenai hak asasi mengundi yang ada pada diri mereka, **peri** mustahak menggunakan dan chara bagaimana mereka **membuang undi** pada hari **mengundi**, supaya **pengundian** boleh **dijalankan dengan lichin** dan terator. **Kempen ini** telah dijalankan **dengan chara tayangan** wayang gambar oleh unit² kerja luar dari **Jabatan Penerangan dan tayangan talivishen**, **membahagi²kan surat²** sibaran, **risalah²** dan juga mengubah satu lagu khas yang disiarkan **berturut²** menerusi radio dan talivishen.

Pendaftaran pemileh²

18. Kelayakan seseorang pengundi adalah terkandong didalam Perkara 119 Perlombagaan Persekutuan. Pada 'amnya, sesiapa sahaja **warga negara** yang umurnya telah meningkat 21 tahun pada tarikh kelayakan dan bermastautin dalam bahagian-pilehanraya pada tarikh **tersebut** boleh-lah mendaftarkan dirinya sebagai seorang **pemileh** dibahagian-pilehanraya tersebut. **Tarikh** kelayakan biasanya ditetapkan pada 31hb Ogos, **tiap²** tahun.

19. Satu daripada **tugas²** Surohanjaya Pilehanraya ialah menyemak **daftar²** pemileh **tiap²** tahun. **Daftar²** pemileh dibuka untuk **disemak** dari 1hb September hingga 12hb Oktober. Pada akhir **tempoh penyemakan** ini, rang² daftar pemileh yang **dibaharuⁱ** adalah disediakan dan dalam bulan Disember **tiap²** tahun rang² itu dibuka untuk **pemerek-saan**. Ini ialah untuk membolehkan orang ramai membuat **apa²** tuntutan atau bantahan dalam insa 28 hari **mulai** dari tarikh rang² daftar itu diishtiharkan. Selepas **tuntutan²** dari **bantahan²** **diselesaikan daftar²** itu pun disahkan. Pengesahan ini dibuat tidak lewat daripada 31hb Mach **tiap²** tahun.

20. Oleh kerana **kerja²** penyemakan tahun 1968 ialah yang terakhir sekali diadakan sebelum pilehanraya umum, satu **ikhtiar** istimewa telah dibuat untuk mengerah orang rarnai supaya mendaftarkan diri mereka sekiranya mereka belum lagi berbuat demikian pada **tahun²** yang lalu. Satu kempen sebaran sechara **besar²an** telah dijalankan untuk tujuan ini. **Apabila daftar²** pemileh telah disahkan pada 27hb Mach, 1969, jumlah pemileh bagi seluroh Malaysia adalah sebanyak 3,843,782 **saperti berikut**:

Negeri²	Tanah Melayu	3,302,184
Sabah	208,861
Sarawak	332,737

21. Jumlah pemileh di-Negeri² Tanah Melayu telah bertambah sebanyak 539,107 dari pemileh² tahun 1964. Pendaftaran di-Sabah telah mula dijalankan pada tahun 1966, dan penyemakan tahun 1968 menunjukkan jumlah pemileh bertambah sebanyak 16,413. Pendaftaran ini adalah kali pertama diadakan bagi Negeri Sarawak.

Kertas² Undi

22. Pengeluaran kertas² undi telah diselenggarakan oleh Penchitak Kerajaan. Tugas² menyiap dan menchitak kertas² undi ini dikehendaki dibuat dengan cermat dan teliti dan telah di-selenggarakan dibawah kawalan keselamatan yang ketat. Semua kertas² undi Parlimen kechuali untuk Sabah dan Sarawak telah dichitak oleh Penchitak Kerajaan di Kuala Lumpur, tetapi kertas² undi Negeri bagi Negeri² Kedah dan Perlis telah dichitak di Alor Setar, bagi Negeri Perak di Ipoh, bagi Negeri Trengganu di Kuala Trengganu dan bagi Negeri² Johor, Melaka dan Negeri Sembilan di Johor Bahru. Kertas² undi negeri bagi Negeri² yang lain telah dichitak di Kuala Lumpur. Kertas² undi bagi Negeri Sabah dan Sarawak telah dichitak oleh Penchitak² Kerajaan masing².

23. Memandang kepada pilehanraya serentak bagi Dewan Ra'ayat dan Dewan Undangan Negeri dan penggunaan peti undi yang sama untuk kedua² pilehanraya itu, Surohanjaya telah memutuskan bahawa kertas² undi Parlimen dan Negeri hendaklah berlainan warna. Warna putih telah dipilih untuk kertas undi Parlimen dan warna kuning emas untuk kertas undi Negeri. Langkah² keselamatan yang ketat telah diambil semasa menghantar dan membahagikan kertas² undi itu. Pada keselurohannya penchitakan telah dimulakan dalam masa dua hari selepas hari penamaan chalun dan penchitakan sebahagian pertama kertas² undi untuk pengundian melalui pos telah siap dan dibahagikan diantara 15hb dan 23hb April 1969. Penghantaran yang bakinya untuk digunakan pada hari mengundi telah diselesaikan awal² sebelum 10hb Mei.

Muafakat dengan Parti² Siasah

24. Untuk memastikan supaya pilehanraya dijalankan dengan sechara terator, pehak Surohanjaya telah mengambil langkah mengadakan meshuarat dengan semua parti² siasah untuk membentuk satu rukun tata-tertib pilehanraya. Pegawai² polis telah hadir bersama dalam meshuarat tersebut. Rukun tata-tertib yang dibentuk dimeshuarat tersebut ialah sebagaimana di Lampiran A. Jawatankuasa perhubungan telah ditubuhkan diperingkat Negeri dan Bahagian-pilehanraya. Meshuarat diperingkat Negeri telah dihadziri oleh wakil² dari parti siasah, pegawai² pilehanraya

dan polis. Dimeshuarat² tersebut rukun tata-tertib pilehanraya yang telah disetujuⁱ diperingkat Persekutuan dan chara melaksanakannya semasa pilehanraya dijalankan telah dibinchangkan dengan halusnya. Salain dari itu beberapa perkara yang mustahak yang terkandong dalam Akta Kesalahan² Pilehanraya dan Peratoran² Penjalanan Pilehanraya telah juga ditegaskan bagi faedah chalun² yang bertanding dalam pilehanraya. Jawatankuasa² diperingkat Bahagian-pilehanraya telah membinchang perkara² 'am yang sama dibinchangkan dimeshuarat peringkat Negeri dan selanjutnya bersama² dengan chalun² dan wakil² chalun telah membinchangkan dengan teliti mengenai berbagai² ketentuan untuk hari mengundi dan khasnya menempatkan pondok² penerangan mereka yang diluar kawasan tempat mengundi. Ada kalanya perlu dichabut undi untuk menentukan tapak² pondok yang dibahagikan kepada chalun masing².

Kakitangan² Pengundian

25. Lebih kurang 35,000 kakitangan² pengundian sementara telah diambil bekerja dan telah diberi latehan untuk menjalankan pilehanraya. Kebanyakan daripada mereka ialah kakitangan² Kerajaan dan separoh-kerajaan sunggohpun ada setengah² daripada nya telah diambil dari kalangan swasta. VII. TARIKH² PILEHANRAYA

26. Surohanjaya Pilehanraya telah mengkaji tentang tarikh² bagi hari penamaan dan pembuangan undi dan telah menetapkan 5hb April, 1969 sebagai hari penamaan chalun bagi semua Bahagian-pilehanraya Parlimen dan Negeri, kechuali Bahagian-pilehanraya Negeri di Kelantan dimana hari penamaan chalun ialah 12hb April, 1969. Hari pembuangan undi bagi kesemua Bahagian-pilehanraya Parlimen dan Negeri di Negeri² Tanah Melayu telah ditetapkan pada 10hb Mei, 1969, sementara d.i Sabah pembuangan undi bermula pada 10hb Mei, 1969 dan berakhir pada 25hb Mei, 1969. Di Sarawak pembuangan undi ditetapkan bermula pada 10hb Mei, 1969 saperti juga ditempat² lain, dan berakhir pada 7hb Jun, 1969.

Surat² perentah pilehanraya yang perlu telah dikeluarkan kepada **Pegawai² Pengurus** dan **pemberitahu²** mengenai **tarikh²** penamaan chalun dan pembuangan undi telah diishtiharkan oleh Surohanjaya.

27. Sementara pilehanraya di **Negeri²** Tanah Melayu boleh diselesaikan dalam masa satu hari, di-Negeri Sabah dan Sarawak tidak **mungkin** dapat dibuat demikian, disebabkan kesukaran terhadap perhubungan dan kekurangan kakitangan dan dimana pemileh luar bandar berselerak di-kawasan yang luas, pembuangan undi terpaksa diadakan dengan chara **berperingkat²**. Dengan sebab itu terpaksa menggunakan **beberapa** pasukan pegawai pilehanraya yang bergerak dari satu **tempat** mengundi ketempat mengundi yang lain sakan² safari dalam masa di-antara satu hingga **empat** minggu. **Pasukan²** ini mulai bergerak dari **tempat** mengundi yang jauh sekali dan balik menuju ka arah Ibu Pejabat bahagian pilehanraya masing². Serbanika jenis kenderaan terpaksalah digunakan oleh **pasukan²** tersebut.

28. Di **Negeri²** Borneo, walaupun pengundian telah ditetapkan bermula pada **10hb** Mei dan dijangka berakhir pada **25hb** Mei di-Sabah dan **27hb** Jun di-Sarawak, **bahagian²-pilehanraya** telah memulakan pengundian pada **tarikh²** yang berperingkat. Pengundian bagi semua bahagian-pilehanraya didalam sebuah Negeri telah dijadualkan tamat pada hari yang sama, iaitu pada **25hb** Mei bagi Sabah dan **27hb** Jun bagi Sarawak, dan semua keputusan pengundian itu di-ishtiharkan pada **tarikh²** tersebut. Chara ini adalah berlainan dari chara pilehanraya Negeri yang di-jalankan di-Sabah pada tahun 1967 manakala pengundian telah berakhir pada **tarikh²** yang berlainan bagi **satu²** bahagian-pilehanraya dan keputusannya disiarkan mengikut bila sahaja pengundian itu tamat di-satu² bahagian-pilehanraya.

VIII. PENAMAAN CHALUN

29. Waktu² penamaan chalun telah ditetapkan oleh **undang²** dari pukul **10.00** pagi hingga pukul 12.00 tengah hari dan bantahan² kapada **penamaan²** chalun bolehlah diserahkan selepas pukul 12.00 tengah hari sahingga pukul 1.30 petang. Sajumlah 354 kertas penamaan chalun telah dihantar kepada **Pegawai² Pengurus** bagi Pilehanraya Parlimen dan **902** bagi pilehanraya Negeri. Diantara itu 13 kertas penamaan chalun bagi pilehanraya Parlimen dan **18** bagi pilehanraya Negeri telah ditolak. **Rayuan²** Pilehanraya **atas** beberapa kertas penamaan chalun ada di-huraikan diperenggan **67 Laporan** ini.

IX KEMPEN² PILEHANRAYA

33. Pada penghujung tahun 1968 telah dilaporkan iaitu sebuah parti siasah hendak memulaukan pilehanraya umum ini. Bagaimana diketahui parti itu telah tidak menamakan chalon-nya disebarang bahagian-pilehanraya dan sabalek-nya pula telah berkempen merayu orang ramai supaya jangan menggunakan hak² mengundi mereka.

34. Adapun memberi ulasan mengenai aktiviti² dan dasar² parti siasah itu terkeluar dari lengkongan kuasa Surohanjaya Pilehanraya, namun demikian, pehak Surohanjaya merasa tidak menjadi salah memberi gambaran sechara 'am tentang chara² kempen yang telah dijalankan sebelum hari mengundi. Suasana aman dan tenteram yang ternyata semasa pilehanraya umum tahun 1964 dan juga dipilehanraya* yang lain yang dijalankan di-Negeri ini pada masa yang lalu telah tidak ternampak semasa kempen tahun 1969. Perbinchangan politik yang utama yang telah diserukan oleh sebilangan Parti Siasah yang tertentu adalah menyentoh perkara² perkauman yang sensitif yang menyinggong perasaan rakyat. Peristiwa sejarah 13 Mei telah mengakibatkan pengishtiharan Ordinan Dharurat (Kuasa² Perlu) Tahun 1969, pada 15hb Mei, 1969 oleh Yang di-Pertuan Agong yang telah menggantongkan Parlimen dan Dewan² Undangan Negeri dan menubohkan Majlis Gerakan Negara. Beristiwa ini telah diberi pesebaran yang luas dan satu Kertas Puteh mengenai perkara itu telah dibentangkan oleh Kerajaan.

35. Semenjak itu satu pindaan telah dibuat kepada Akta Asutan, 1948 yang antara lain2 perkara adalah menjadi satu kesalahan bagi sesiapa pun menyoal perkara² mengenai hak², taraf, kedudukan, keistimewaan dan kedaulatan atau hak kedaulatan yang ditetapkan atau yang diperlindungi oleh peruntukan Bahagian III Perlembagaan Persekutuan atau Perkara 152, 153 atau Perkara 181 Perlembagaan. Peruntukan² ini menyebut perkara² kerayatan, bahasa kebangsaan, hak² orang Melayu dan kedaulatan Raja².

36. Selain daripada itu satu pindaan telah juga diperbuat kepada Akta Kesalahan² Pilehanraya, 1954 dengan mana, sesiapa yang telah dihukum kerana kesalahan dibawah sekshen kecil (1) dari Sekshen 4 Akta Asutan, 1948, ia tidak, sehingga tamat 5 tahun dari tarikh hukuman itu, boleh dipileh disebarang pilehanraya, dan sekiranya pada tarikh hukuman itu ia telah dipileh disebarang pilehanraya, maka kerusinya itu adalah dikosongkan mulai daripada tarikh itu.

X. PENGUNDIAN

Pengundian Melalui Pos

37. Jenis yang ditaarifkan sebagai pengundi² yang tidak payah hadhir ada disenaraikan didalam Peratoran² Pilehanraya (Pengundian Melalui Pos). Sebelum pilehanraya umum dijalankan, pemileh² yang berdaftar yang telah ditahan dibawah Akta Keselamatan Dalam Negeri telah dimasukkan 'kedalam senarai itu sebagai orang² yang berhak mengundi melalui pos.

38. Daripada jumlah kertas² undi pos yang dikeluarkan di-Negeri² Tanah Melayu, 78.6 peratus bagi pilehanraya Parlimen dan 81.5 peratus bagi pilehanraya Negeri, telah diterima balek sabelom pengundian ditutup. Di-Negeri Sabah peratus yang balek ialah sebanyak 70 bagi pilehanraya Parlimen dan di-Negeri Sarawak 80 peratus bagi pilehanraya Parlimen dan 70 bagi pilihanraya Negeri.

Hari Mengundi

39. Pengundian diseluroh negara pada 'amnya telah bermula dari pukul 8.00 atau 9.00 pagi hingga kepukul 7.00 atau 8.00 malam. Disetengah² kawasan yang terpenchil, beberapa tempat mengundi telah ditutup lebih awal lagi. Bagi kawasan² luar bandar pengundian telah berjalan sechara sederhana sahaja pada sepanjang hari kechualи dikawasan² yang mana kebanyakan penduduk²nya bekerja diladang², pengundian adalah lambat sedikit disebelah pagi tetapi ranchak disebelah petang. Keadaan seumpama ini juga telah ternampak dikawasan² bandar.

40. Di-Malaysia Barat 74.3 peratus daripada para pemileh telah mengundi dikedua² pilehanraya umum Parlimen dan Negeri. Pengundian di Sabah dan Sarawak yang telah digantongkan pada tahun 1969 telah dijalankan semula dalam tahun 1970. Pengundian di-satu sahaja bahagian pilehanraya (Melaka Selatan) diNegeri Tanah Melayu yang juga digantong telah dijalankan semula dalam tahun 1971.

XI. PENGIRAAN UNDI

41. Pengiraan undi telah dijalankan dimerata² tempat yang sesuai dibawah penyeliaan Pegawai² Pengurus. Keputusan², bila sahaja diketahui telah dihantar kepada Penyelia² Pilehanraya di Ibu Pejabat Negerinya, dari mana, kemudiannya telah disampaikan pula keputusan² tersebut kapada Ibu Pejabat Pesurohjaya Pilehanraya, dimana satu Bilek

Gerakan telah disiapkan. Selepas itu keputusan² itu pun disiarkan menerusi radio dan talivishen. Papan² kenyataan awarn bagi merekodkan kemenangan² telah juga didirikan di tiap² Ibu Negeri.

42. Keputusan yang pertama diterima oleh Surohanjaya Pilehanraya ialah pada pukul 11.25 malam pada 10hb Mei, 1969 daripada **Bahagian-pilehanraya Negeri**, Cameron Highlands dan keputusan yang terakhir sampai ke Surohanjaya Pilehanraya ialah pada pukul 1.00 tengahari pada 11hb Mei, 1969 daripada Bahagian-pilehanraya Parlmen, Kuala Trengganu Utara. Penggunaan satu peti undi untuk kedua² kertas undi Parlmen dan Negeri telah memerlukan masa yang lebih untuk menjalankan pengiraan dan banyaknya kertas² undi yang ragu yang hendak dipereksa dengan teliti oleh Pegawai **Pengurus** juga telah mengambil masa yang panjang. Sebagaimana yang boleh dilihat di-Lampiran² B dan C sabilangan besar bahagian-pilehanraya yang telah mendapat keputusan² yang sangat rapat, oleh itu beberapa pengiraan semula telah terpaksa dibuat. Telah ada sebutan bahawa penyiaran² keputusan itu adalah terlalu lewat, bagaimanapun, keputusan yang akhir yang telah dihebahkan adalah lebih awal lagi daripada keputusan yang akhir diterima pada masa pilehanraya umum 1964 manakala keputusan itu telah disiarkan pada pukul 5.00 petang keesokan harinya.

XII. KEPUTUSAN² PILEHANRAYA SEBELUM PENGGANTONGAN

43. Perkara yang menarek perhatian akibat daripada pilehanraya ini ialah bertambahnya bilangan pembangkang, jika dibandingkan dengan pilehanraya umum 1964. Walaupun parti² pembangkang telah mendapat beberapa kerusi, parti Perikatan maseh lagi berkuasa di-Parlimen. Parti Gerakan Rakyat Malaysia (GRM) telah mengawali Dewan Undangan Negeri, Pulau Pinang dan Parti Islam Sa-Malaya (PAS) telah mengawali semula Dewan Undangan Negeri, Kelantan. Perikatan telah dikembalikan semula di-Negeri² yang lain. Maklumat² perangkaan yang penoh berkenaan dengan pilehanraya Parlmen adalah terkandong di Lampiran B kepada Laporan ini. Jumlah kerusi yang telah dimenangi oleh berbagai parti siasah dipilehanraya Parlmen sebelum pilehanraya itu digantong ada-lah:

Perikatan	66
United Sabah National Organisation								10
Parti Tindakan Demokratik	13
Parti Islam Sa-Malaya	12
Parti Gerakan Rakyat Malaysia	8
Parti Kemajuan Rakyat	4

44. Keputusan² pilehanraya Dewan Undangan Negeri adalah ditunjukkan di Lampiran C.

45. Dipilehanraya Parlimen 13 chalun telah hilang wang deposit mereka oleh kerana mereka telah gagal mendapat lebih daripada satu perlapan dari jumlah undi sah yang dibuang, sementara dipilehanraya Negeri, jumlah bilangan chalun yang telah kehilangan wang deposit mereka ialah 69 orang.

XIII. PENYAMBONGAN PILEHANRAYA² DI-MALAYSIA TIMOR

46. Berikutan dengan meletusnya kekachauan pada 13hb Mei, 1969 dan dengan perishtiharan keadaan dharurat diseluroh Malaysia pada 15hb Mei, semua pilehanraya yang belum lagi diselesaikan telah digantong. Penggantongan ini melibatkan pilehanraya² di-Sabah, Sarawak dan pilehanraya Parlimen di Bahagian-pilehanraya Melaka Selatan. Tatkala pilehanraya telah digantongkan, pengundian telah pun berjalan di 7 daripada 24 bahagian-pilehanraya Parlimen, 9 daripada 48 bahagian-pilehanraya Negeri di Sarawak dan 6 daripada 16 bahagian-pilehanraya Parlimen di-Sabah. 10 bahagian-pilehanraya Parlimen yang lain di-Sabah telah dimenangi oleh United Sabah National Organisation (USNO) tanpa bertanding.

47. Selain daripada menggantongkan pilehanraya² dibawah Ordinan Dharurat (Kuasa² Perlu) No. 1 Tahun 1969, kelulusan Peratoran² Perlu (Milarang Kegiatan² Berhubong dengan Pilehanraya) 1969, [P.U. (A) 176A bertarikh 11hb Jun, 1969] yang dibuat oleh Majlis Gerakan Negara telah menchengah semua kegiatan berhubong dengan pilehanraya. Ini termasuk semua chara merayu undi bagi pehak mana² chalun dan semua chara memanching undi.

48. Sa-masa dalam bulan Disember 1969, ada dibayangkan kapada Surohanjaya iaitu Kerajaan berchadang hendak meneruskan semula pilehanraya² yang belum lagi diselesaikan di-Sabah dan Sarawak. Sunggohpun tidak ada diberi tatikh mengenai pembatalan penggantongan itu, malahan pehak Surohanjaya terpaksa juga membuat persiapan yang perlu untuk menjalankan semula pilehanraya.

49. Dibawah peratoran² yang ada mengenai penjalanan pilehanraya, jika sekiranya pada bila² masa selepas Surohanjaya Pilehanraya menge luarkan surat perentah untuk menjalankan pilehanraya umum ataupun pilehanraya kecil, ada diberi keterangan kepada Surohanjaya yang

memuaskan iaitu oleh sesuatu sebab dalam mana² bahagian-pilehanraya, pilehanraya tidak boleh dijalankan, ataupun pilehanraya sudah dimulakan mengikut surat perentah yang telah dikeluarkan itu tetapi tidak boleh diteruskan, maka Surohanjaya boleh pada bila² masa pun mengeluarkan satu surat perentah yang baru untuk menjalankan atau menyemulakan pilehanraya dibahagian pilehanraya tersebut. Sekiranya peraturan ini hendak diikuti, maka bermaknalah mengadakan semula pilehanraya **dibahagian²-pilehanraya** yang belum diselesaikan lagi sebelum diadakan penggantongan itu, surat² perentah yang baru hendaklah dikeluarkan dan semua proses² pilehanraya hendaklah dimulakan semula.

50. Surohanjaya telah menimbangkan perkara berkaitan dengan soal mengadakan semula pilehanraya dan telah memutuskan bahawa untuk mengelakkan kesukaran dan perbelanjaan, **chalun²** yang penamaannya telah disahkan pada 5hb April, 1969 adalah kekal menjadi chalun bagi pilehanraya yang disamulakan dan tidaklah **payah** dijalankan penamaan chalun yang baru. Bagaimanapun, Surohanjaya telah mengechualikan **bahagian²-pilehanraya** dimana ada chalun yang telah disahkan telah mati. Dalam perkara yang demikian, Surohanjaya telah memutuskan bahawa **chalun²** yang masih ada itu dikekalkan penamaannya, tetapi **penamaan²** chalun yang baru boleh juga diterima. Satu peruntukan **undang²** mengenai hal ini mistilah dibuat.

51. Satu lagi soal untuk ditimbangkan oleh Surohanjaya ialah sama ada pengundian hendak disambong dari mana ia diberhentikan semasa penggantongan ataupun dimulakan **semula**. **Kertas²** undi yang dibuang mulai dari 10hb Mei ke 15hb Mei, 1969 telah disimpan didalam **peti²** yang bermeteri **hampir²** sudah setahun lamanya, ada kemungkinan **kertas²** undi itu boleh jadi rosak akibat daripada keadaan hawa, serangga atau lain* sebab. Oleh kerana tidak ada jalan resmi bagi Surohanjaya boleh memerluka **kertas²** itu dan untuk menghapuskan sebarang shak wasangka yang **kertas²** undi itu tidak diganggu, maka pehak Surohanjaya telah memutuskan supaya **kertas²** undi itu tidak dikira lagi bagi maksud penyemulaan, dan pengundian hendaklah disemulakan disemua **bahagian** pilehanraya. Pehak Surohanjaya juga telah memutuskan untuk menchitak **kertas²** undi yang baru yang berlainan warnanya daripada yang telah digunakan pada pilehanraya bulan Mei, 1969.

52. Dari pengalaman yang telah diperolehi di Malaysia Barat, pehak Surohanjaya juga memutuskan bahawa untuk menchepatkan lagi **pengiran** dan siaran **keputusan²**, dua **peti** undi digunakan, iaitu satu untuk kertas undi Parlimen dan satu lagi untuk **Negeri**. Ini bermakna jumlah

peti undi yang digunakan bagi pilehanraya yang **disamulakan** itu akan menjadi dua kali ganda bilangannya daripada yang telah **diranchang** untuk digunakan dipilehanraya bulan Mei. Yang **demikian** itu menambahkan perbelanjaan bukan sahaja kerana bilangan **peti²** undi yang lebih itu, **bahkan** juga kerana tambahan potar untuk **membawa peti²** undi itu. Tambahan lagi kelebihan bilangan **peti²** undi yang **hendak dibawa** oleh **pasokan²** pengundian, akan merumitkan lagi **tugas²** Ketua **Tempat** Mengundi kerana ia terpaksa mengambil **langkah²** **keselamatan** untuk menjaga **peti²** undi yang telah bermeteri itu sepanjang **perjalannya** dari satu **tempat** mengundi kesatu **tempat** mengundi yang lain, yang **mana** setengah daripada **tempat²** itu akan memakan masa selama 4 **minggu** dan meliputi sebanyak 48 **tempat** mengundi.

53. Dari itu pehak Surohanjaya telah memutuskan bahawa untuk mengurangkan bilangan **peti²** undi itu, maka **peratoran²** baru **telah** diadakan supaya membolehkan **lidah²** peti undi yang telah **dimeterikan** selepas ditutup pengundian disesuatu **tempat** mengundi itu **boleh dibuka** semula dihadapan **wakil²** chalun untuk digunakan lagi peti **itu** ditempat mengundi yang berikutnya. Dengan peratoran ini maka satu peti undi itu boleh digunakan dibeberapa **tempat** mengundi yang dilawati oleh pasokan pengundian itu. Untuk memelihara **peti²** undi itu dari **diganggu** oleh keadaan chuacha dan lain2 benchana semasa dibawa **oleh pasokan** pengundian pehak Surohanjaya telah memutuskan supaya **digunakan** beg2 **tarpal** untuk menyarong **peti²** undi dan juga **dokumen²** serta alat² pengundian yang berkaitan. Penggunaan beg2 ini akan **menyenangkan** lagi potar yang mengusongnya. Sabagai tambahan keselamatan **arahang²** pentadbiran telah dikeluarkan kapada **pasokan²** pengundian supaya memeterikan beg2 itu sebelum rnereka bergerak ketempat mengundi yang berikutnya.

54. Oleh sebab kesukaran dari segi perhubongan dan kegiatan **pengganas** komunis **disetengah²** bahagian di Negeri Sarawak, pehak **Surohanjaya** telah memutuskan supaya peruntukan **undang²** dibuat untuk membolehkan Surohanjaya menentukan **tarikh²** pengundian disebarang **tempat** mengundi dimana pengundian telah **gagal** pada tarikh dan masa yang **dijadualkan**, dan dimana pengundian tidak boleh dihabiskan disebarang **tempat** mengundi; peruntukan **undang²** hendaklah juga **diadakan** supaya Surohanjaya boleh memutuskan bagaimana **chara** pengundian itu patut disemulakan dalam kemungkinan seumpama itu. Dibawah **undang²** yang ada, jika sekiranya berlaku perkara seumpama itu, satu surat perentah baru patutlah dikeluarkan dan semua proses2 pilehanraya hendaklah dimulakan semula.

55. Keputusan² Surohanjaya Pilehanraya ini telah dimajukan kapada Majlis Gerakan Negara dan pada 12hb Mei, 1970, Majlis itu telah meluluskan Ordinan Dharurat (Kuasa² Perlu) No. 32 Tahun 1970 yang memansohkan Sekshen dalam Ordinan Dharurat (Kuasa² Perlu) No. 1 Tahun 1969, yang menggantongkan pilehanraya. Ordinan ini telah meliputi keputusan² yang telah dibuat oleh Surohanjaya dan memberi kuasa kepada Surohanjaya untuk menjalankan semula pilehanraya² di Sabah dan Sarawak.

56. Dengan undang² yang sama juga, Kerajaan telah membuat beberapa penchegahan mengenai chara² berkempen. Memanching serta merayu undi², mengadakan rapat² umum serta mempamirkan apa² rayuan dalam apa chara rupa pun telah dilarang. Bagaimanapun, chalun² telah dibenarkan mempamirkan poster² yang menunjukkan simbol² atau gambar² ataupun simbol² parti mereka dengan hanya perkataan² "undi-lah". Didalam bahagian² pilehanraya dimana penamaan² chalun baru telah diterima, tiap² chalun dibahagian-pilehanraya tersebut itu, dibenarkan juga sebagai tambahan mengeluarkan satu manifesto yang mengandungi gambar dan simbol yang diberikan kapadanya atau simbol partinya, serta membentangkan tujuan² dan dasar untuk dirinya sendiri ataupun untuk parti siasah. Pengeluaran manifesto itu hanya dihadkan sekali sahaja dan tidak boleh mengandungi perkara² yang boleh menimbulkan pergaduhan atau mengganggu ketenteraman awam ataupun yang boleh menimbulkan perasaan hasad dengki dan permusohan dikalangan rakyat yang berbilang bangsa dan gulongan. Pengedaran manifesto itu dihadkan dalam kawasan bahagian pilihanraya yang berkenaan sahaja. Bagaimanapun, Menteri Hal Ehwal Dalam Negeri boleh melarang pengedaran sebarang manifesto demi kepentingan keselamatan awam.

57. Memandang kapada banyaknya perubahan² yang telah dibuat mengenai penjalanan pilehanraya yang hendak disemulakan itu, pehak Surohanjaya merasa perlu memberi penerangan mengenai hal undang² kapada chalun² dan parti siasah di Sabah dan Sarawak. Bagi tujuan ini, Pengurus dan Ahli² Surohanjaya Pilehanraya telah menemui chalun² dan wakil² parti siasah di Kuching pada 24hb Mei, 1970 dan di Kota Kinabalu pada 26hb Mei, 1970. Didalam meshuarat² itu, Pengurus telah memaklumkan juga tarikh² mengadakan semula pengundian dikedua² buah negeri tersebut. Pembuangan undi ditetapkan di Sabah dari 21hb hingga 27hb Jun dan di Sarawak dari 6hb Jun hingga 4hb Julai, 1970.

58. Apabila pilehanraya telah dijalankan semula, penamaan chalun baru perlu diadakan didua Bahagian-pilehanraya Parlimen. Ini ialah dibahagian-gilehanraya Parlimen Tuaran di Sabah dan Kanowit di Sarawak,

dimana saorang chalun diitiap² satu bahagian-pilehanraya tersebut telah meninggal dunia. Di-Tuaran satu penamaan chalun baru telah diterima tetapi kertas penamaan chalun itu telah ditolak sebagai tidak sah. Ini menjadikan chalun tunggal yang tinggal itu dipileh tanpa bertanding. Mengenai Bahagian-pilehanraya Parlimen di Kanowit satu penamaan chalun baru telah diterima dan pilehanraya itu telah dipertandingkan.

Keputusan² mengenai pilehanraya² yang disamulakan

59. Sabah. Sebelum pilehanraya di Sabah digantong, 10 chalun dari United Sabah National Organisation (USNO) telah dipileh tanpa bertanding. Bila pilehanraya telah disemulakan satu lagi chalun dari United Sabah National Organisation (USNO) telah dipileh tanpa bertanding di Bahagian-pilehanraya Tuaran. Tiga orang chalun dari Sabah Chinese Association dan dua orang chalun dari United Sabah National Organisation telah memenangi baki kerusi² yang lain, yang demikian memberikan semua 16 kerusi Parlimen kepada Parti Perikatan Sabah. Sejumlah 24 orang chalun telah bertanding dipilehanraya tersebut dan 2 orang diantaranya telah kehilangan wang deposit mereka.

60. Sarawak. Di Sarawak 94 orang chalun telah bertanding untuk merebut 24 kerusi dalam Parlimen dan 221 orang chalun bertanding untuk merebut 48 kerusi dalam Council Negeri. Keputusan² pilehanraya tersebut adalah seperti berikut:

	Parti	Kerusi ² yang dimenangi	Parlimen	Negeri
1.	Parti Perikatan Sarawak (PER) ...	7	15	
2.	Sarawak United Peoples' Party (SUPP)...	5	12	
3.	Parti Pesaka Sarawak (PESAKA)	2	8	
4.	Sarawak National Party (SNAP)	9	12	
5.	Bebas	1	1	
		<hr/>	<hr/>	<hr/>
		24	48	
		<hr/>	<hr/>	<hr/>

Sejumlah 24 orang chalun Parlimen dan 82 orang chalun Council Negeri telah kehilangan wang deposit mereka.

XIV. PENYAMBONGAN PILEHANRAYA DI MELAKA SELATAN

61. Dalam Negeri² Tanah Melayu hanya pilehanraya dibahagian-pilehanraya Parlimen, Melaka Selatan sahaja yang belum diselesaikan. Pengundian bagi bahagian pilehanraya ini telah tidak dapat diadakan

pada **10hb** Mei, 1969, oleh sebab pengundian telah dibatalkan pada 26hb April, kerana kematian seorang **daripada chalun²** pada 23hb April, 1969. **Tarikh² baru** untuk hari penamaan chalun dan hari **pembuangan** undi telah ditetapkan pada 7hb dan 31hb Mei, **masing²**. Penamaan chalun telah diselesaikan pada 7hb Mei sebagaimana yang telah dijadualkan dan **penerimaan empat** orang chalun telah disahkan. Bagaimanapun, oleh sebab pilehanraya telah digantongkan pada **15hb** Mei, 1969 pengundian telah tidak dapat dijalankan.

62. Pengantongan pilehanraya bagi bahagian pilehanraya ini telah dibatalkan oleh **Ordinan** No. 66/71 yang telah diluluskan oleh Majlis Gerakan Negara pada 18hb Januari, 1971. **Undang²** ini mengkehendakkan supaya pilehanraya itu diselesaikan dalam **tempoh** dua minggu mulai dari tarikh itu dan yang demikian itu Surohanjaya Pilehanraya telah menetapkan hari Sabtu, 30hb Januari, 1971, sebagai hari membuang undi. Dengan berkuatkuasanya **undang²** ini pengantongan **semua** pilehanraya yang belum diselesaikan telah dibatalkan sepenohnya dan **Peratoran²** Dharurat yang **melarang kegiatan²** berhubong dengan pilehanraya telah terluchut kuatkuasa dengan sendirinya.

63. Chalun Perikatan telah dipileh **dalam** pengundian ini. Dua orang chalun yang bertanding dipilehanraya **ini** telah kehilangan **wang²** deposit mereka.

XV. PERBELANJAAN

64. Peruntukan sebanyak \$1,588,000 telah diluluskan untuk Pilehanraya Umum tahun 1969. Wang tambahan sebanyak \$10,800 untuk Melaka Selatan dan \$509,999 untuk Sabah dan Sarawak telah **diluluskan** untuk **pilehanraya²** yang disamulakan.

65. Di Negeri² Tanah Melayu sahaja, jumlah yang telah dibelanjakan untuk **pilehanraya²** umum 1969 ialah lebih kurang \$1,400,000 dibandingkan dengan \$1,900,000 yang dibelanjakan untuk pilehanraya umum 1964. Ini menunjukkan kekurangan perbelanjaan sebanyak \$500,000 sunggopun jumlah pemileh telah bertambah lebih kurang 539,000 pada tahun 1969. Pengurangan perbelanjaan ini ialah seimbang dengan dasar Kerajaan untuk menjimatkan perbelanjaan awam dan pengurangan ini tidak mengganggu **apa²** ju pun terhadap kecekapan menjalankan **pilehanraya²** umum itu.

66. Di Sarawak jumlah perbelanjaan untuk menjalankan **pilehanraya²** serentak ialah lebih kurang \$577,000 sedangkan di Sabah jumlah yang telah dibelanjakan bagi pilehanraya Parlimen ialah lebih kurang \$49,000.

XVI. RAYUAN² PILEHANRAYA

67. Hanya sepuloh rayuan pilehanraya **sahaja** yang telah dimasukan ka Mahkamah kesemuanya, dua di Kelantan, satu di Perak, **tiga** di **Pahang**, satu di Selangor, satu di Melaka dan dua di Sarawak. **Enam** daripada rayuan itu telah dibuat **atas** alasan penolakan kertas penamaan chalun oleh Pegawai Pengurus. Kesemua rayuan itu telah ditolak. Satu rayuan mengenai kesalahan pengiraan undi telah **juga** ditolak. Dua rayuan telah dibuat **atas** alasan menyamar diri. Walaupun **rayuan² ini** telah ditolak, **enam** pengundi telah didapati salah kerana menyamar diri oleh sebab mereka telah mengundi didua **tempat** dalam pilehanraya yang sama. Satu rayuan telah dibuat **atas** alasan rasuah dan buatan menyalahi **undang²** dan yang dituduh itu saorang yang dipileh, telah didapati salah kerana melakukan buatan rasuah. Bagaimanapun, hakim telah **mengampunkannya** dan pilehanraya itu telah diishtiharkan sebagai pilehanraya yang **sah**. Dalam masa perbicharaan itu hakim telah mendapati bahawa saorang daripada **pekerja² parti** telah didapati salah **atas** buatan rasuah dan satu laporan telah dibuat kapada **pehak** Surohanraya Pilehanraya.

XVII. ULASAN² ‘AM

68. Pengundian bagi Malaysia keselurohannya ialah sebanyak 73.6 **peratus** bagi pilehanraya Parlimen dan 73.8 **peratus** bagi pilehanraya Negeri. Di **Negeri² Tanah** Melayu bagi Parlimen ialah sebanyak 72.9 **peratus**. Dipilehanraya tahun 1964, peratusannya ialah 78.9 dan **di-pilehan-rayaya** tahun 1959 ialah 73.3 **peratus**. Pengundian yang diperolehi di **Negeri² Tanah** Melayu bagi pilehanraya **Dewan Undangan** Negeri ialah sebanyak 73.1 **peratus** berbanding dengan 78.9 **peratus** dalam tahun 1964 dan 74.0 **peratus** dalam tahun 1959.

69. Yang demikian itu, peratusan pengundian di **Negeri² Tanah** Melayu adalah baik jika dibandingkan dengan peratusan pengundian pada tahun 1959, tetapi terkurang kadar 5 **peratus** daripada peratusan pengundian pada pilehanraya tahun 1964. Peratusan pengundian yang menjadi **rendah** itu mungkin kerana timbulnya kempen yang mendesak supaya **memulaukan** pilehanraya dan juga kerana suasana tegang yang **semakin memuncak** sebelum hari membuang undi yang mana telah mengakibatkan berlakunya peristiwa 13 Mei. Keadaan ini nampak nyata terutama sekali di Negeri Selangor dimana peratusan pengundian adalah 65.0 **sahaja**, iaitu yang paling **rendah** sekali diantara **Negeri²**. Peratusan pengundian yang **tertinggi** pada tahun 1964, mungkin disebabkan pada masa itu negara sedang menghadapi satu masaalah nasional yang **sangat berat** yang

merupakan konfrantasi dari Indonesia. Ini merupakan satu ancaman kepada keselamatan negara. Dengan itu ternyata pemilih² telah keluar dengan ramai untuk menchurahkan perasaan hati mereka mengenai perkara tersebut.

70. Di Negeri Sabah pengundian bagi pilehanraya Parlimen ialah sebanyak 72.5 **peratus**. Pengundian yang rendah ini mungkin kerana hanya 5 buah kerusi sahaja daripada 16 buah kerusi Dewan Ra'ayat yang telah ditandingkan dan faktor ini mungkin telah mengurangkan semangat pemilih untuk keluar membuang undi mereka. Di Negeri Sarawak pengundian bagi pilehanraya Parlimen ialah 79.6 **peratus** dan bagi pilehanraya Council Negeri ialah 80 **peratus**. Memandang kepada keadaan keselamatan di Sarawak semasa pilehanraya dijalankan, bahawa peratusan pengundian yang telah dichapai itu **bolehlah** dianggap tinggi juga.

71. Di Malaysia, **kertas**² undi yang telah ditolak pada keselurohannya ialah 3.9 **peratus** bagi pilehanraya Parlimen dan 4.7 **peratus** bagi pilehanraya Negeri. Bagi **Negeri² Tanah Melayu** undi yang ditolak dipilehanraya Parlimen ialah sebanyak 4.9 **peratus** berbanding dengan 4.2 **peratus** dipilehanraya tahun 1964. Dipilehanraya Negeri ialah sebanyak 6.5 **peratus** berbanding dengan 4.8 **peratus** dalam tahun 1964. Peratusan yang tinggi sedikit ini boleh jadi disebabkan oleh adanya **kempen**² untuk memulaukan pilehanraya. Pehak Surohanjaya telah berpendapat adanya **bukti**² yang menunjukkan bahawa sebahagian besar dari **kertas**² undi yang ditolak itu telah dirosakkan dengan sengaja iaitu mungkin sebagai satu **chara** membantah pilehanraya.

72. Di Negeri Sabah kertas* undi yang ditolak bagi pilehanraya Parlimen ialah sebanyak 3.3 **peratus**. Di Negeri Sarawak ialah 7.2 **peratus** bagi pilehanraya Parlimen dan 6.0 **peratus** bagi pilehanraya Negeri. Peratusan yang tinggi bagi kertas undi yang ditolak dalam Negeri Sarawak itu mungkin satu dari **sebab**²nya ialah yang ini kali pertama Negeri itu menghadapi pilehanraya serentak. **Disetengah**² bahagian-pilehanraya di Sarawak bagaimanapun ada juga ternyata pengundian membantah. Satu contoh yang **sangat** jelas ialah bagi bahagian-pilehanraya Parlimen di Bandar Kuching dimana bilangan **kertas**² undi yang ditolak adalah lebih daripada 25 **peratus**, pada hal didalam **kedua**² Bahagian-pilehanraya Negeri Kuching **Barat** dan Kuching Timor yang menjadikan **Bahagian**-pilehanraya Parlimen tersebut, bilangan kertas undi yang ditolak itu **adalah** kurang daripada 3 **peratus**.

XVIII. PENUTOPAN DAN PENGAKUAN

73. Surohanjaya Pilehanraya berpendapat bahawa Pilehanraya Umum tahun 1969 telah ditamatkan dengan cukup sempurna. Para pemilih telah pergi ketempat² mengundi untuk mengamalkan hak² mengundi mereka dengan tidak merasa takut, sunggohpun ada anchaman² untuk menyekat pilihanraya itu dengan chara pemulauan dan kekerasan. Keadaan ini sangatlah terpuji khasnya dalam Negeri Sarawak dimana, sunggohpun ada kegiatan² dari pehak pengganas komunis, bilangan yang keluar mengundi mengikut peratusan pengundian adalah diantara yang terbesar sekali diseluroh negara.

74. Laporan ini tidak lengkap sekiranya tidak disebutkan trajedi yang telah berlaku di Sarikei di Bahagian Ketiga Sarawak pada 29hb Jun, 1970 dimana pengganas komunis telah membunuh tiga orang pegawai pilehanraya termasok Ketua Tempat Mengundi dan menchederakan empat orang lagi ketika mereka dalam perjalanan balek dengan bot selepas menyempurnakan pengundian disebuah tempat mengundi. Perihal ini bukanlah hanya satu sahaja perchubaan yang telah dilakukan oleh pengganas² itu sebagai perchubaan menyekat pilehanraya. Seminggu sebelum itu satu periok api telah diletupkan diluar sabuh kawasan tempat mengundi dalam Bahagian itu juga. Kebetulan pula kejadian² itu telah berlaku semasa dua orang Ahli Surohanjaya sedang membuat lawatan memerhati pembuangan undi dibahagian-pilehanraya tersebut. Oleh kerana kejadian² ini telah tidak mengentarkan, dan pengundian telah diterus dan diselesaikan pada tarikh² yang dijadualukan dengan ramainya bilangan pengundi yang telah keluar mengundi, maka ini adalah membawa kepujian kapada penduduk² Sarawak, iaitu satu keterangan atas perasaan sibik dan tanggongjawab mereka sebagai rakyat yang hendak mengamalkan hak² mengundi mereka.

75. Pelek Surohanjaya Pilehanraya ingin menchatitkan kedalam rekod iningenai kerjasama yang erat yang telah diberikan dengan relanya oleh berbagai² jabatan kerajaan, pertubuhan² swasta dan juga orang² perseorangan, jika tidak dengan pertolongan² itu mustahil pilehanraya² dapat diselesaikan dengan jayanya. Bantuan² yang telah diberi seperti pengangkutan, perkakas, tenaga manusia dan bangunan itu telah banyak menolong, bukan sahaja dari segi menjalankan pilehanraya dengan chekap, tetapi juga mengurangkan perbelanjaan. Surohanjaya Pilehanraya suka hendak menyebut khususnya perkhidmatan pehak pegawai² Pentadbir dari Negeri² Tanah Melayu yang telah dihantar ke Sarawak untuk kerja² pilehanraya pehak Polis Di-Raja Malaysia, Jabatan Penchitak

Kerajaan, **Jabatan Penerangan dan Siaran**, **Jabatan Kerja Raya**, **Jabatan Pelajaran dan Jabatan Undang²**, yang telah kerap kali dijemput untuk membantu pehak Surohanjaya Pilehanraya, sunggohpun pada masa itu mereka semua sedang sibok dengan **tugas²** mereka sendiri.

76. **Ingatan** patut juga diperbuat atas pehak Polis Di-Raja Malaysia dan Angkatan Bersenjata Persekutuan kerana pertolongan mereka berkenaan dengan **ketentuan²** yang telah dibuat untuk menghantar dan mengembalikan **kertas²** undi pos bagi **anggota²** Polis dan **anggota²** Angkatan Bersenjata yang pada masa itu sedang berada **ditempat²** terpenchil diseluroh negara. Kechekapan mereka membuat **ketentuan² tersebut** telah membolehkan sebahagian besar daripada **pengundi²** dari Angkatan **Tentera** dan **Polis** sempat mengembalikan **kertas²** undi mereka untuk **dikira**. Pehak Surohanjaya Pilehanraya juga menghargai **bantuan²** yang telah **diberi** oleh pehak **Tentera** Udara di-Raja Malaysia kerana menyediakan **helikopter²**, ada kalanya dalam waktu yang singkat, khasnya di Negeri Sarawak.

77. Semasa menjalankan Pilehanraya Umum itu, pehak Surohanjaya adalah senantiasa **beringat atas** segala tindakan yang diambil itu mistalah **menerima** keperchayaan para **pemileh**, dan lagi mestalah mencherminkan **sifat** kesaksamaan yang sebenar **tentang layanan²** yang diberikan kapada pehak perseorangan dan **parti²** siasah. Pehak Surohanjaya dengan seberapa dayanya telah menchuba menjayakan **chita²** ini, tetapi, dalam semua segi dugaan manusia tentulah barangkali ada serba kekurangan dan dalam **hal ini** pehak Surohanjaya Pilihanraya juga tidak terkechuali.

REPORT ON THE GENERAL ELECTIONS TO THE HOUSE OF
REPRESENTATIVES AND STATE LEGISLATIVE ASSEMBLIES,
MALAYSIA, 1969

I. INTRODUCTION

The general elections to the House of Representatives and the various State Legislative Assemblies were held on 10th May, 1969. They were the third general elections to the House of Representatives and the State Legislative Assemblies of the States of Malaya since independence and the second to be held since the formation of Malaysia. This was the first direct election in Sabah and Sarawak to the House of Representatives and the first to the Council Negeri Sarawak. Sabah held its first direct election to its State Legislative Assembly in 1967. Prior to this representatives of the Parliamentary Constituency of both States were indirectly elected to the House of Representatives.

2. The House of Representatives has a total of 144 members and the thirteen State Legislative Assemblies have a total of 362 members.
3. The election to the House of Representative and all State Legislative Assemblies except election to the Sabah Legislative Assembly which was not due for dissolution in 1972, were held simultaneously, but due to the application of staggered polling in Sabah and Sarawak the election in the two States were not completed until after two weeks polling in Sabah and four weeks in Sarawak.
4. However, the declaration of emergency and the promulgation of Emergency (Essential Powers) Ordinance No. 1 of 1969 on 15th May, 1969 suspended all elections which have not been completed on that date in any part of Malaysia.
5. At the time of suspension, general elections in all contested constituencies in the States of Malaya except the Parliamentary Constituency of Melaka Selatan were completed and candidates returned. None of the elections in contested constituencies in Sabah and Sarawak was completed. Polling for Melaka Selatan fixed for a later date due to the death of one of the candidates was also affected by the suspension.

II. THE ELECTION COMMISSION

6. The Constitution provides that the responsibility for the conduct of elections to the House of Representatives and the Legislative Assemblies of all States of Malaysia lies with the Election Commission. The Commission is also empowered to conduct elections to the various local authorities if so provided by law. In the discharge of its responsibilities the Election Commission, being an independent authority is not subject in any way to directions as to the manner in which elections are conducted.

7. The establishment of the Election Commission and the general principles under which it should function are laid down in Articles 113-120 of the Constitution. The Election Commission is appointed by His Majesty the Yang di-Pertuan Agong after consultation with the Conference of Rulers, and consists of a Chairman and three other members, one of whom is from the Borneo States under arrangement made in accordance with the Inter-Governmental Committee Report. Article 114 (2) of the Constitution reads as follows:

"In appointing members of the Election Commission, the Yang di-Pertuan Agong shall have regard to the importance of securing an Election Commission which enjoys public confidence."

III. CONSTITUENCIES

8. Under Article 46 of the Constitution, the House of Representatives shall consist of 144 elected members of whom 104 shall be from the States of Malaya, 16 from Sabah and 24 from Sarawak. The constituency boundaries for the 104 parliamentary seats for the States of Malaya remained as they were for the 1964 general elections. The constituencies for the 16 seats in Sabah were delimited on 16th April, 1966 (L.N. 182166) and the 24 in Sarawak on 20th June, 1968 (L.N. 268168). These delimitations were made in accordance with the principles laid down in the Thirteenth Schedule of the Constitution.

9. Section 4 of the Eighth Schedule to Part I of the Constitution provides that a State Assembly shall consist of such number of elected members as its Legislature may by law provide, and the number of such elected members shall be the same as or a multiple of the number of Federal

constituencies into which the State is divided under Article 116 of the Federal Constitution. The 144 parliamentary and 362 State constituencies were distributed as follows:

	Parliamentary						State	
Perlis	2	...	12
Kedah	12	...	24
Kelantan	10	...	30
Trengganu	6	...	24
Penang	8	...	24

Total for whole of Malaysia	144	362	...	<hr/>

IV. DISSOLUTION OF PARLIAMENT AND STATE LEGISLATIVE ASSEMBLIES

10. The Constitution requires that when Parliament is dissolved a general election shall be held within 60 days in the States of Malaya and 90 days in the Borneo States from the date of the dissolution. Similar provisions are also contained in the State Constitutions. It was therefore necessary that some prior indication be given to the Election Commission as to the date of the dissolution of Parliament and of the State Assemblies to enable the Commission to make the necessary plans and preparations for the holding of the general elections.

11. The first meeting of the **Dewan Ra'ayat** after the General Election in 1964 was held on 18th May, 1964. The various State Legislative Assemblies held their first meetings on various dates between 11th and 28th May, 1964. The Federal and State Constitutions require Parliament and State Legislative Assemblies to stand dissolved after five years from

the date of their first meetings, unless sooner dissolved. Thus the Dewan Ra'ayat, unless sooner dissolved, would therefore stand dissolved on 18th May, 1969 whilst the various State Legislative Assemblies **would** stand dissolved on dates varying between 11th and 28th May, 1969.

12. In order that elections to the Dewan Ra'ayat and the various State Legislative Assemblies could be held **simultaneously**, the Election Commission advised that the Dewan Ra'ayat and all the State Legislative Assemblies be dissolved on the same day. Parliament and all State Legislative Assemblies except that of Kelantan were dissolved on 20th March, 1969. The Kelantan State Legislative Assembly was dissolved on 31st March, 1969.

V. AMENDMENTS TO LEGISLATION RELATING TO ELECTIONS

13. Towards the **end** of 1968 it was reported that a political party had instructed all its members in the House of Representatives and in the various State Legislative Assemblies to resign their seats on staggered dates. As the law stood at the time, it was necessary to fill any vacant seat within 60 days from the date on which a vacancy was **established**. The Government decided that the holding of bye-elections would cause considerable inconvenience to the electorate as Parliament and State Assemblies would **in** any case be dissolved by 18th May, 1969 and general elections held thereafter. To meet this unusual situation Article 54 (2) of the Constitution was amended whereby casual vacancies occurring within 6 months of the date on which Parliament would stand dissolved, need not be filled. This amendment was made to apply to State Assemblies as well. As a result of this, although a number of vacancies occurred in the **House** of Representatives and State Assemblies, no bye-elections were held.

14. Prior to the general elections a review of election laws and regulations was carried out and the following amendments were made :

(a) The *Election Offences Act, 1954*

Amendments were made to this Act in 1969, the effect of which were as follows—

- (i) the limit of expenses that may be incurred by a candidate or his election agent was increased from \$10,000 to \$20,000 in the case of an election to the House of Representatives, and from \$7,500 to \$15,000 in the case of an election to a State Legislative Assembly;

- (ii) the **penalty** for the **offence** of ti-eating, undue influence and bribery **was** increased from **six** months' **imprisonment** and a fine of five hundred dollars to twelve months' imprisonment **and** a fine of not less than two hundred and fifty **dollars** and not more than one thousand dollars;
- (iii) the provisions **relating** to **personal expenses** of candidates were dispensed with.

(b) Elections (Conduct of Elections) Regulations, 1959

The Elections (Conduct of **Elections**) (**Amendment**) **Regulations**, 1968, made by the Election Commission, were approved by the Yang **di-Pertuan** Agong on **20th** December, 1968. The amendments were made for the purpose of uniformity and bringing into line similar regulations which were applicable to the Borneo States.

Two notable amendments were :

- (i) regarding election **deposits** by intending candidates, it is now provided that candidates who pay their election deposits to a Government Department **authorised** by the Returning Officer should produce the deposit receipt to the Returning Officer within the hours of 10 o'clock in the forenoon and 12 o'clock on nomination day. Failure to do so would render the nomination of such candidate invalid; and
- (ii) the insertion into the Regulation of a new provision making it obligatory for a Returning Officer to order a recount of votes upon the application of any candidate or his election agent if the number of votes for all the candidates together with the rejected votes varies from the number of ballot papers found in the ballot boxes by one per centum or more, or if the difference between the number of votes cast for the leading candidate and the number of votes cast for the next leading candidate is two per centum or less of the total number of votes cast.

(c) Elections (Postal Voting) Regulations, 1959

The Elections (Postal Voting) (**Amendment**) Regulations, 1%8 were approved at the same time. With this amendment, a **new** procedure was introduced enabling certain categories of **voters** to apply for postal vote if they wish to vote by post.

VI. PREPARATION FOR ELECTIONS

Preparation of Pamphlets for Guidance of Election Officials

15. Two pamphlets, "The Returning Officer" and "The Polling Station", compiled by the Election Commission, were revised to incorporate amendments to the various election laws and regulations. These pamphlets were intended to be read in conjunction with and as a commentary on the election laws and regulations. They were for the guidance of the election officials only and were not meant to replace the law.

Equipment for Election Work

16. The task of taking stock of existing equipment, stationery and forms was initiated from the latter part of 1967 and completed in early 1969. Old and obsolete forms were either amended or replaced. The main items of election equipment such as polling booths, counting trays and mixing baskets were obtained from local manufacturers. In view of the Government policy to effect economy in public expenditure, the Election Commission decided that for these general elections, only one ballot box in each polling station be used for both parliamentary and State ballot papers. No additional ballot boxes were therefore purchased for West Malaysia although there was an appreciable increase in the electorate and in the number of polling stations.

Preparing the Electorate

17. For any election to be meaningful it is necessary that there should be a maximum turn-out of electors on polling day. To this end, a campaign was carried out by the Government mass media to instil an awareness among the electorate of their fundamental right of franchise, the importance of exercising it and the way to cast their votes on polling day so that polling may be carried out in a smooth and orderly manner. This campaign took the form of film shows by field units of the Information Department and television shows, the distribution of leaflets and even the composition of a special song which was frequently broadcast over the radio and television.

Registration of Electors

18. The qualifications of an elector are contained in Article 119 of the Constitution. In general any citizen who has attained the age of 21 years on the qualifying date and is resident in the constituency on such date may register himself as an elector in that constituency. The qualifying date is normally fixed for 31st August, each year.

19. One of the functions of the Election Commission is the annual revision of electoral rolls. The rolls are open for revision each year from 1st September to 12th October. At the end of this period revised draft rolls are prepared and in December each year these are open for inspection. This is to allow the public to lodge claims or objections within a period of 28 days from the date of publication of the draft rolls. After the disposal of claims and objections the rolls are certified. This certification is made not later than 31st March of each year.

20. As the 1968 revision exercise would be the last one before the general election, a special effort was made to exhort the people to register themselves if they had not already done so in previous years. A wide publicity campaign was carried out for this purpose. When the electoral rolls were certified on 27th March, 1969, the total electorate for the whole of Malaysia stood at 3,843,782, made up as follows:

West Malaysia	3,302,184
Sabah	208,861
Sarawak	332,737

21. There was an increase of 539,107 electors over the 1964 electorate in the States of Malaya. Registration in Sabah was first carried out in 1966 and the 1968 revision showed an increase of 16,413. For Sarawak this was the first registration of electors in the State.

Ballot Papers

22. The production of ballot papers was undertaken by the Government Printer. The task of preparing and printing these papers required great care and accuracy and was undertaken under strict security control. All Parliamentary ballot papers except those for Sabah and Sarawak were printed centrally by the Government Printer in Kuala Lumpur but State ballot papers for Kedah and Perlis were printed in **Alor Setar**, those for Perak in Ipoh, for Trengganu in Kuala Trengganu and for Johor, Melaka and Negeri Sembilan in Johor Bahru. State ballot papers for the other States were printed in Kuala Lumpur. Ballot papers for Sabah and Sarawak were printed by their respective Government Printers.

23. In view of the simultaneous elections to the House of Representatives and State Legislative Assemblies and the use of the same ballot box for both Parliamentary and State elections, the Commission decided that Parliamentary and State ballot papers should be of different colours. White was chosen for Parliamentary ballot papers and old gold for State ballot

papers. Strict security arrangements were made for the delivery and distribution of these papers. In all cases the printing commenced within two days after nomination day and the printing of the first batch of ballot papers for postal voting **was** completed and distributed between 15th and 23rd April, 1969. The delivery of the rest for use on polling day was completed well before 10th May, 1969.

Arrangement with Political Parties

24. In order to ensure that elections were carried out in an orderly manner, the Commission convened a meeting of all political parties to formulate an electoral behaviour code. Police officials also attended the meeting. A code which **was** drawn up at the meeting is at Appendix "A". Liaison committees were formed at State and constituency levels. At State level these meetings were attended by representatives of political parties, election and police officials. At these meetings the electoral behaviour code adopted at federal level and the method of implementing it during the election was discussed in detail. In addition to this, certain important provisions of the Election Offences Act and the Conduct of Elections Regulations were **emphasised** for the benefit of candidates contesting the election. The committees at constituency **level** covered generally the same **subjects** as at the State level meetings and in addition went into detail with candidates and their agents regarding various arrangements for polling day, and in particular, the siting of their information booths outside polling stations. In some cases it was necessary to draw lots to determine the sites which were to be allotted to the respective candidates.

Polling Staff

25. Approximately 35,000 temporary polling staff were recruited and trained to carry out the elections. The majority of them were employees of Government and quasi-Government organisations though some staff were recruited from the private sector. The following is a list of the various categories of polling staff engaged during the elections:

Returning Officers	144
Assistant Returning Officers	516
Presiding Officers	5,468
Election Assistants	162
Polling Clerks	21,075
Counting Clerks	7,820

VII. ELECTION DATES

26. The Election Commission considered the dates for nomination and polling and fixed the 5th of April, 1969 as the nomination day for all Parliamentary and State constituencies except the State constituencies in Kelantan for which nomination day was 12th April, 1969. Polling day for all the Parliamentary and State constituencies in the States of Malaya was fixed for 10th May, 1969, while in Sabah polling ~~was~~ to commence ~~on~~ 10th May, 1969, and end on 25th May, 1969. In Sarawak polling was to commence on 10th May, 1969 as elsewhere and ~~finish~~ on 7th June, 1969. Necessary writs were issued ~~to~~ Returning Officers and notices on the dates for nomination and polling were published by the Commission.

27. Whilst elections could be completed in one day ~~in~~ the States of Malaya, this was not possible in the case of Sabah and Sarawak where, due to difficulties in communication and staffing and where rural voters were thinly spread over wide areas, polling had to be carried out on a staggered basis. This necessitated the use of a number of teams of polling officials which had to move from one polling station to another almost in safari style over a period of one to four weeks. These ~~teams~~ started moving from the farthest polling station and worked their way back to their constituency headquarters. All forms of transport had to be used by the teams.

28. In the Borneo States, although polling was fixed to commence ~~on~~ 10th May, and to end, in the case of Sabah on 25th May and in the case of Sarawak on 7th June, different constituencies ~~commenced~~ their poll on ~~different~~ staggered dates. The poll in all the constituencies within each State were scheduled to end on the same day *i.e.* on 25th May in the case of Sabah and on 7th June in the case of Sarawak and the results of the poll were to be announced on those dates. This method was a departure from the 1967 State elections in Sabah when polling ~~ended on~~ different dates in different constituencies and results announced as and when the poll was completed in each constituency.

VIII. NOMINATION

29. Nomination hours were fixed by law from 10 a.m. till 12 noon and objections to nominations were permitted to be lodged after 12 noon till 1.30 o'clock. A total of 354 nominations were filed with the Returning Officers for Parliamentary elections and 902 for State elections. Of these, 13 nominations for Parliamentary and 18 nominations for State elections were rejected. Election petitions on rejection of certain nominations are dealt with in paragraph 67 of this Report.

30. The 104 Parliamentary seats in the States of Malaya, 16 Parliamentary seats in Sabah and 24 Parliamentary seats in Sarawak were contested by 322 candidates of whom 35 were independents and 287 from twelve political parties as follows:

Alliance (ALL)	118
Pan Malayan Islamic Party (PMIP)	62
Party Rakyat (PR)	6
People's Progressive Party (PPP)	6
Democratic Action Party (DAP)	24
Gerakan Ra'ayat Malaysia (GRM)	14
United Malaysian Chinese Organisation (UMCO)	3
Sarawak National Party (SNAP)	23
Sarawak United People's Party (SUPP)	19
Parti Pesaka Sarawak (PESAKA)	15
Sabah Chinese Association (SCA)	3
United Sabah National Organisation (USNO)	13

31. The 282 State Legislative Assembly seats in the States of Malaya and 48 Council Negeri seats in Sarawak were contested by 898 candidates of whom 105 were independents and 793 from ten political parties as follows:

Alliance (ALL)	315
Pan Malayan Islamic Party (PMIP)	185
Party Rakyat (PR)	38
People's Progressive Party (PPP)	16
Democratic Action Party (DAP)	57
Gerakan Ra'ayat Malaysia (GRM)	38
United Malaysian Chinese Organisation (UMCO)	12
Sarawak National Party (SNAP)	46
Sarawak United People's Party (SUPP)	40
Parti Pesaka Sarawak (PESAKA)	35

32. Twenty Parliamentary constituencies were uncontested returning 9 Alliance and 11 United Sabah National Organisation (USNO) candidates. Eleven State constituencies were uncontested and all returned Alliance candidates.

IX. ELECTION CAMPAIGN

33. It was reported at the end of 1968 that one political party would not be contesting the general elections. As it turned out later, the party did not contest any of the seats during the elections and in fact mounted a public campaign calling on voters not to exercise their franchise.

34. It is outside the scope of the Election Commission to comment on the activities and platforms of the various political parties, nevertheless, the Commission feels that it would not be inappropriate to mention in general the picture prevailing during the pre-polling days insofar as campaigning was concerned. The atmosphere of calmness which characterised the 1964 general elections and other elections held in this country in the past was absent during the 1969 campaign period. The main political issue presented by certain political parties touched on racial sensitivities which affected the feelings of the people. The historic incident of May 13th resulted in the promulgation of the Emergency (Essential Powers) Ordinance, 1969 on 15th May, 1969 by the Yang di-Pertuan Agong which suspended Parliament and State Legislative Assemblies and established the National Operations Council. This incident has been given wide publicity and the Government issued a White Paper on the subject.

35. Since then an amendment has been made to the Sedition Act, 1948 where amongst other things it would be an offence for any one to question any matters, rights, status, position, privilege and sovereignty or prerogative established or protected by the provisions of Part III of the Federal Constitution or Article 152, 153 or 181 of the Constitution. These provisions deal with the subjects of citizenship, national language, Malay rights and the sovereignty of Rulers.

36. In addition an amendment was also made to the Election Offences Act, 1954 by which any person who has been convicted of an offence under sub-section (1) of Section 4 of the Sedition Act, 1948 shall until the expiration of 5 years of such conviction be incapable of being elected at any election, arid if at the date of such conviction he has been elected at any election, his seat shall be vacated from that date.

X. POLLING

Postal Voting

37. The categories of absent voters are listed out in the Elections (Postal Voting) Regulations. Before the General Elections registered electors who were detained under the Internal Security Act were included in the list of persons entitled to vote by post.

38. In the States of **Malaya** 78.6% of **the** postal votes issued for the Parliamentary elections and 81.5% for the State elections were received **back before** closing time. In Sabah the percentage was 70 for the Parliamentary elections and in Sarawak 80 for Parliamentary and **70** for the State elections.

Polling

39. Polling throughout the country began generally from 8 or 9 o'clock in the **morning** till 7 or 8 o'clock in the evening. In remote areas some polling stations closed earlier. In the rural areas the trend of voting was generally steady throughout the day except in areas where the majority of the population worked in plantations voting was slow in the morning but became brisk towards the late afternoon or early evening. **This trend** was also noticeable in urban areas.

40. In West Malaysia 74.3% of the electorate voted at both Parliamentary and State general elections. Polling in Sabah and Sarawak suspended in 1969 was resumed in 1970. Polling in the only constituency in the States of Malaya (**Melaka Selatan**) which was also suspended was resumed in 1971.

XI. COUNTING

41. Counting **was** carried out at various convenient places under the **supervision** of the Returning Officers. The results as they became available were transmitted to the Supervisors of Election at their State headquarters who in turn relayed them to the Headquarters of the Election Commission where an Operation Room was set up. The results were then announced through the radio and television. **Public** scoreboards for recording results were also set up in the State capitals.

42. The first result to reach the Election Commission was at 11.25 p.m. on **10th May, 1969** from the State Constituency of Cameron Highlands and the last result to reach the Election Commission was at 1.00 p.m. on **11th May, 1969** from the Parliamentary constituency of Kuala Trengganu Utara. The use of a single ballot box for both Parliamentary and State ballot papers necessarily required a longer period for the counting process and the large number of ballot papers which were doubtful and required close scrutiny by the Returning Officers was also time-consuming. As can be seen from Appendices B and C in a large number of constituencies the results were very close and a recount or recounts had to be made. It has been mentioned that there was considerable delay in the announcement

of results; however, the last result came in much earlier than the last **one** in the 1964 General Election which was announced only at 5 p.m. on **the** following day.

XII. RESULTS OF THE ELECTIONS PRIOR TO SUSPENSION

43. A significant feature of the elections was the emergence of a sizeable opposition, as compared to the 1964 general elections. Although the opposition parties won a number of seats, the Alliance still retained control of Parliament. The Gerakan Ra'ayat Malaysia (**GRM**) gained control of the Penang State Legislative Assembly and the Pan Malayan Islamic Party (**PMIP**) retained control of the Kelantan State Legislative Assembly. In all the other States the Alliance was returned. Full statistical information relating to the Parliamentary elections is contained in Appendix B to this Report. The number of seats won by the various political parties in the Parliamentary elections prior to the suspension were:

Alliance	66
United Sabah National Organisation	10
Democratic Action Party	13
Pan Malayan Islamic Party	12
Gerakan Ra'ayat Malaysia	8
People's Progressive Party	4

44. The results of the elections for the State Legislative Assemblies are shown in Appendix C.

45. In the Parliamentary Elections 13 candidates lost their deposits owing to their failure to secure more than one-eighth **of** the total valid votes cast whilst in the State Elections, the number of candidates who lost their deposits was 69.

XIII. RESUMPTION OF ELECTIONS IN EAST MALAYSIA

46. Following the outbreak of disturbances on May 13th, 1969 and the proclamation of the state of emergency throughout Malaysia on the 15th of May, all elections which remained uncompleted on that date were suspended. This suspension affected Sabah and Sarawak and the Parliamentary constituency of Melaka Selatan. When elections were suspended, polling had already started in 7 of the 24 Parliamentary constituencies and in 9 of the 48 State constituencies in Sarawak and in 6 of the 16

Parliamentary constituencies in Sabah. The other 10 Parliamentary constituencies in Sabah had returned unopposed candidates of the United Sabah National Organisation (USNO).

47. Apart from the suspension of elections under the Emergency (Essential Powers) Ordinance No. 1 of 1969, the passing by the National Operations Council of the Essential (Prohibition of Activities Relating to Elections) Regulations, 1969, (P.U. (A) 176A of 11th June, 1969) restricted all activities relating to elections. These included all forms of soliciting on behalf of any candidate and all forms of canvassing for votes.

48. Some time in December 1969 it was indicated to the Commission that the Government intended to resume the uncompleted elections in Sabah and Sarawak. Although no date was given on the lifting of the suspension, the Commission had to make the necessary preparation for the resumption of election.

49. Under the existing regulations governing the conduct of elections, if at any time after the Election Commission has issued a writ for the holding of a general election or a bye-election, it is shown to the Commission's satisfaction that in any constituency, owing to any cause whatsoever, no election can be or has been held in pursuance of such writ, the Commission may at any time issue fresh writ for the holding of the election in that constituency. If this regulation is to be followed, it would mean that for the resumption of the elections in constituencies which have not been completed prior to the suspension, fresh writs would have to be issued and the whole process of election would have to commence afresh.

50. The Commission considered this matter in relation to the question of resumption and decided that in order not to cause any inconvenience and expense to candidates, those who stood validly nominated on nomination day, 5th April, 1969, would remain candidates for the resumed elections and that no fresh candidates be nominated. The Commission however decided to make an exception in the case of constituencies where any candidate who stood validly nominated has since died. In such cases the Commission decided that the remaining candidates could stand nominated, but fresh nominations may be received. Legal provision had to be made for this purpose.

51. The next question for the Commission to consider was whether polling should continue from where it was left off at the time of suspension or commence afresh. The ballot papers cast from 10th May

to 15th May, **1969** had been kept in the sealed ballot boxes and stored for almost a year. There was always the possibility that these papers could be damaged by weather, insects or other causes and as there was no lawful means by which the Commission could examine them and in order to dispel any doubt that the ballot papers cast were intact, the Commission decided that these papers should not be counted **for** the purpose of resumption and that polling should commence afresh in all constituencies. The Commission also decided that fresh ballot papers of colours differing from the ones used in May **1969** elections be printed.

52. From experience gained earlier **in** West Malaysia, the Commission also decided that in order to accelerate the announcement of results, two ballot boxes one for Parliamentary and one for State ballot papers, be used. This would mean that the number of ballot boxes to be used in the resumed election would be double the number planned for use in the May elections. Extra expenditure would have to be incurred not only for the purpose of the extra boxes, but also for the engagement of extra porters to carry the ballot boxes. In addition, the large number of ballot boxes that had to be carried by polling teams would make the task of the Presiding Officer more difficult as he had to take all necessary precautions to safeguard the sealed boxes throughout the journey from one polling station to another, which in some cases would take as long as four weeks to cover as many as 48 polling stations.

53. The Commission therefore decided that in order to reduce the number of boxes, regulations be introduced whereby the slit of the ballot boxes after having been sealed at the close of the poll at a polling station could be reopened in the presence of election agents for use at the next polling station. In this way the same ballot box could be used at several polling stations covered by the same polling team. In order to protect these boxes from possible damage by weather and other hazards in the course of their being carried by polling teams, the Commission decided to make use of 'canvas bags as containers for ballot boxes and related polling documents and equipment. The use of these bags would also make portage easier. As an added precaution administrative instructions were issued for these bags to be sealed before the team proceeded to the next polling station.

54. Due to the difficulties in communication in Sarawak and the activities of communist terrorists in some parts of the State, the Commission decided that legal provision be made to enable the Commission to fix a fresh date for the poll to be taken at any station where polling could

not take place on the scheduled date and time, and where polling has started but could not be completed at any polling station the law should also provide for the Commission to decide on the manner in which polling should recommence in such an eventuality. Under the existing Regulations, should such a contingency arise, a fresh writ would have to be issued and the whole process of election would have to commence afresh.

55. These decisions of the Election Commission was submitted to the National Operations Council and on 12th May, 1970 the Council passed the Emergency (Essential Powers) Ordinance No. 32 of 1970 repealing the section of the Emergency (Essential Powers) Ordinance No. 1 of 1969 which suspended the elections. This ordinance incorporated the decisions of the Commission and authorised the Commission to resume elections in Sabah and Sarawak.

56. By the same law the Government also imposed certain restrictions on the form of campaigning. Canvassing and soliciting for votes, organising of public meetings and the displaying of appeals in any form were prohibited. Candidates however were allowed to display posters showing their symbols or pictures or symbols of their political parties together with only the words "vote for". In the case of constituencies where fresh nominations were received each candidate in such constituency was in addition allowed to issue a manifesto containing his picture and his allotted symbol or the symbol of his political party and setting out his aims and objectives or those of his political party. The manifesto was however limited to one issue only and not to contain matters which were likely to lead to the breach of the peace or public order or likely to promote feelings of ill-will and hostility between the different races or classes of the population. The distribution of these manifestoes must be confined within the limits of the constituency concerned. However, the Minister of Home Affairs could prohibit the distribution of any manifesto in the interest of public security.

57. In view of the number of changes made in the conduct of the resumed elections, the Commission felt that it was necessary to explain the law to candidates and political parties in Sabah and Sarawak. For this purpose the Chairman and Members of the Commission met candidates and representatives of political parties in Kuching on 24th May, 1970 and in Kota Kinabalu on 26th May, 1970. At these meetings, the Chairman also announced the dates for the resumption of the poll in the two State. Polling in Sarawak was to take place from 6th June to 4th July and in Sabah from 21st June to 27th June, 1970.

58. When elections were resumed fresh nominations were necessary in respect of two Parliamentary constituencies. These were the Parliamentary constituencies of Tuaran in Sabah and Kanowit in Sarawak where in each of the constituencies a candidate had died. In the case of Tuaran a fresh nomination was filed but the papers were rejected as invalid. This resulted in the only other candidate being returned unopposed. In the case of the Parliamentary constituency of Kanowit one new nomination was received and the election was contested.

Results of Resumed Elections

59. **SABAH.** Before the elections were suspended in Sabah, 10 candidates from the United Sabah National Organisation were returned unopposed. On resumption another United Sabah National Organisation candidate was returned unopposed in the constituency of Tuaran. Three candidates from the Sabah Chinese Association and two from the United Sabah National Organisation won the remaining contested seats, thus giving the Sabah Alliance all the 16 Parliamentary seats. A total of 24 candidates contested the elections and 2 of them lost their deposits.

60. **SARAWAK.** In Sarawak 94 candidates contested the 24 Parliamentary seats and 221 candidates contested the 48 seats for the Council Negeri. The elections resulted as follows:

Parties	Seats won			
	Parliament		State	
Sarawak Alliance 7		15	
Sarawak United People's Party 5		12

Sarawak National Party	9		12

	24		48

A total of 24 Parliamentary and 82 Council Negeri candidates lost their deposits.

XIV. RESUMPTION OF ELECTIONS IN MELAKA SELATAN

61. In the States of Malaya the Parliamentary Constituency of Melaka Selatan was the only remaining constituency where elections have not been completed. Polling for this constituency could not be carried out on 10th May, 1969 as the poll was countermanded on 26th April, due to the death of one of the candidates on 23rd April, 1969. Fresh dates for

nomination and polling were fixed for 7th May and 31st May respectively. Nomination of candidates was completed on 7th May as scheduled and four candidates stood validly nominated. However, due to the suspension of election on 15th May, 1969 the poll could not be taken.

62. The suspension of election for this constituency was lifted by Ordinance No. 66/71 which was passed by the National Operations Council on 18th January, 1971. This law required the election to be completed within two weeks from that date and accordingly the Election Commission fixed Saturday 30th January, 1971 as polling day. With the coming into force of this law the suspension of all uncompleted elections was completely lifted and the Emergency Regulations prohibiting activities relating to elections automatically ceased to have effect.

63. The poll resulted in the Alliance candidate being returned. Two candidates contesting this election lost their deposits.

XV. EXPENDITURE

64. A provision of \$1,588,000 was approved for the General Elections in 1969. A further sum of \$10,800 for Melaka Selatan and \$509,999 for Sabah and Sarawak was approved for the resumed elections.

65. In the States of Malaya the total actual expenditure incurred in the 1969 general elections was approximately \$1,400,000 compared to about \$1,900,000 spent in the 1964 general elections. This shows a reduction in cost of about \$500,000 in spite of the fact that there was an increase of approximately 539,000 electors in 1969. The reduction in cost was in line with Government policy to affect economies in public expenditure and this reduction has not affected in any way the efficiency in conducting the general elections.

66. In Sarawak the cost of the simultaneous general elections was approximately \$577,000 while in Sabah the total amount spent on the Parliamentary elections was about \$49,000.

XVI. ELECTION PETITIONS

67. In all, only ten petitions were filed in Court, two in Kelantan, one in Perak, three in Pahang, one in Selangor, one in Malacca and two in Sarawak. Six of these petitions were filed on the grounds of wrongful rejection of nomination papers by the Returning Officers. All these petitions were dismissed. One petition relating to alleged irregular counting was also dismissed. Two petitions were filed on the ground of personation.

Although these petitions were dismissed, six voters were found guilty of personation as they had voted in two places at the same election. One petition was filed on grounds of corrupt and illegal practice and the respondent who was elected was found guilty of corrupt practice. The judge however exonerated him and declared the election valid. In the course of the hearing the judge found a party worker guilty of corrupt practice and a report was accordingly made to the Commission.

XVII. GENERAL COMMENTS

68. The overall polling percentage for Malaysia was 73.6 in the case of Parliamentary elections and 73.8 in the case of State elections. In the States of Malaya the percentage was 72.9 for Parliament. In the 1964 elections the percentage was 78.9 and it was 73.3 in the 1959 elections. In the elections to the State Assemblies the percentage of polling in the States of Malaya was 73.1 as compared to 78.9 in 1964 and 74 in 1959.

69. The polling percentage in the States of Malaya therefore compares favourably with the percentage in 1959 but falls short of the 1964 elections by approximately 5%. The lower percentage may partly be due to the campaign calling for a boycott of the elections and also to the build-up of tension before polling day which culminated in the May 13th incident. This appears to be particularly so in the case of Selangor where the percentage of polling was 65 which is the lowest amongst the States. The high percentage of polling in 1964 was perhaps due to the fact that the country was then facing a grave national issue in the form of Indonesian confrontation. This posed a threat to the security of the country. Evidently the electorate turned out in force to express their feeling on this issue.

70. In Sabah the percentage of polling was 72.5 for the Parliamentary elections. The low percentage of polling was perhaps due to the fact that of the 16 seats in the House of Representatives only 5 were contested and this somewhat diminished the enthusiasm of the electorate to go to the poll. In Sarawak the percentage for Parliamentary elections was 79.6 and for elections to the Council Negeri 80. Considering the circumstances under which the elections in Sarawak were held, the voting percentage were considered high.

71. The overall percentage of rejected ballot papers for Malaysia was 3.9 in the case of Parliamentary elections and 4.7 in the case of State elections. For the States of Malaya the percentage was 4.9 as compared to 4.2 in the 1964 Parliamentary elections. In the State elections the percentage was 6.5 as compared to 4.8 in the 1964 elections. This slightly

higher percentage may again partly be attributed to the campaign for a boycott of the elections. The Commission observed that there were indications that the majority of the rejected ballot papers had been spoiled on purpose, presumably as a sign of protest.

72. In Sabah the percentage of rejected ballot papers was 3.3. In Sarawak the percentage was 7.2 in the case of Parliamentary elections and 6 in the case of State elections. The high percentage of rejected ballot papers in Sarawak may be due in part to the fact that this was the first simultaneous elections held in that State. In some constituencies in Sarawak, however, there were clear cases of protest voting. An extreme example of this was the Parliamentary Constituency of Bandar Kuching where the number of rejected ballot papers was more than 25% whilst in the two State Constituencies of Kuching Barat and Kuching Timor which make up this Parliamentary Constituency, the number of rejected ballot papers was less than 3%.

XVIII. CONCLUSION AND ACKNOWLEDGEMENTS

73. The 1969 General Elections were, in the opinion of the Commission, completed very satisfactorily. In spite of the threat to disrupt the elections with boycott and violence, the people went to the polls to exercise their franchise without fear. This is particularly commendable in the case of Sarawak where in spite of communist terrorist activities the turn out of voters as shown in the percentage of polling was among the highest in the whole country.

74. This report would not be complete without mentioning the tragedy which occurred in Sarikei in the third Division of Sarawak on 29th June, 1970 where communist terrorists killed three election officials including the Presiding Officer and wounded four others while these officials were on their return journey by boat after completing polling at a station. This particular incident was by no means the only attempt by the terrorists to disrupt the elections. A week earlier a land mine was exploded outside a polling station in the same Division. These incidents occurred when two members of the Commission were visiting the constituency to observe polling. The fact that these incidents did not act as a deterrent and that the election proceeded and was completed on the scheduled dates with a large turn-out of voters is a tribute to the people of Sarawak. It is a manifestation of their civic consciousness and of their responsibility as citizens to exercise their franchise.

75. The Election Comission would like to place on record the excellent co-operation willingly given by the various Government departments, organisations in the private sector and individuals without which it would not have been possible to complete the elections so successfully. **The** assistance given by the various individuals and organisations in respect of transport, materials, manpower and premises helped a great deal not only in the efficient conduct of the elections but also in reducing the cost. The Commission wishes to mention in particular the Administrative Officers from the States of Malaya who were sent to Sarawak for election duties, the Royal Malaysian Police, the Government Printing Department, the Department of Information and Broadcasting, the Public Works Department, the Education Department and the Legal Department who were called upon on several occasions to assist the Commission in spite of the fact that they were fully committed with their awn duties during this period.

76. Mention must also be made of the assistance given by the Royal Malaysian Police and the Federation.Armed Forces in the arrangements made for the delivery and return of postal ballot papers to Police and Armed Forces personnel deployed in **remote** places in the country. Their efficient organisation enabled a very large percentage of Army and Police voters to return their ballot papers in time for the count. The Commission also appreciates the assistance given by the Royal Malaysian Air Force in providing helicopters, sometimes at very short notice, particularly in Sarawak.

77. In conducting the General Elections the Commission has always borne in mind that their actions must enjoy the confidence of the electorate and must reflect a true picture of impartiality in their dealings with both individuals and political parties. **The** Commission has spared no effortin trying to achieve this but in all fields of human endeavour there are bound to be shortcomings and in this respect the Commission is no exception.
